

Instructions for Vermont Business Income Tax Return Payment Voucher Form BI-470

General Information

Use Form BI-470 to direct a payment for Business Income tax accounts, which include S-Corps, Partnerships, and many LLCs. Do not include Form BI-470 if you are making payments with another return or form, such as:

- BI-471 - Business Income Tax Return
- WH-435 - Estimated Income Tax Payments for Nonresident Shareholders, Partners, or Members
- BA-403 - Application for Extension of Time

BI-470 may be used, for example, if:

- You mailed your form or payment coupon, but forgot to include a check.
- You or your tax preparer filed your documents electronically, and you want to send a check separately.

Do not use BI-470 for Corporate Income tax accounts. C-Corporations should use Form CO-414, Corporate Estimated Tax Return Payment Voucher, to make estimated payments, or Form CO-422, Corporate Income Tax Return Payment Voucher, in lieu of this form.
